

Robbinsdale District 281 High School Summer Activities COVID-19 Protocol

The following has been established for the health and safety of our student-athletes, coaches, parents and programs during the volunteer summer activity period beginning June 15, 2020.

Responsibilities during the volunteer summer activity period are split into two categories. Please thoroughly review all sections.

STAFF RESPONSIBILITIES

1. Prior to arriving at the facility for the day's activity, each staff member will complete the online Self-Monitoring form on themselves (through Google Docs) with the most current **COVID-19 HEALTH MONITORING** questions.
 - a. [Cooper High School Self-Screening Form](#)
 - b. [Armstrong High School Self-Screening Form](#)
2. **THERE ARE NO SUPERHEROES.** If a staff member does not feel well, or answers YES to any of the **COVID-19 HEALTH MONITORING** questions, they will stay home.
3. Staff will use hand sanitizer immediately when they get to their assigned site.
4. Staff will check each student in by confirming google form was completed that day by student. This will be confirmed on Google forms through Google Drive app on staff phone. (See form link under student section).
 - a. [Cooper Staff/Student Responses List](#)
 - b. [Armstrong Staff/Student Responses List](#)
5. All current social distancing guidelines will be followed throughout the entire activity.
6. All staff should come prepared for activity. **Locker rooms will not be available for use.**
7. One staff member at each activity pod will have an assigned **ACTIVITY BAG** that will hold hand sanitizer, disinfectant wipes or spray, and other items needed to follow safety guidelines and protocols.
8. Staff will bring their own filled water bottles.
9. Staff will have an extra supply of water bottles for students and staff, if needed.
10. At the end of the day, staff will disinfect all hard surfaces used during activity. Building engineers will be responsible for cleaning and disinfecting floors and rooms inside the building, once we are able to be in the building. *(Potentially moving inside July, 2020)*
11. If inclement weather occurs during a scheduled activity, the activity will end immediately and all students and staff will go home. Programs cannot relocate to inside facilities. Staff will have a weather alert app on their phones.
12. Indoor facilities including gyms, wrestling rooms, weight rooms, and pools are still closed for programs with a possible July, 2020 opening date.

STUDENT-ATHLETE / PARENT RESPONSIBILITIES

1. **BEFORE** leaving home for any organized, volunteer activity, the student will complete an online Self-Monitoring Form, (through Google Docs), **COVID-19 HEALTH MONITORING FORM**.
 - a. [Cooper High School Self-Screening Form](#)
 - b. [Armstrong High School Self-Screening Form](#)
2. **THERE ARE NO SUPERHEROES.** If a student does not feel well, or answers YES to any of the **COVID-19 HEALTH MONITORING** questions, they will stay home.
3. If a student is being dropped off, they will be dropped off in an assigned area. The driver will not be able to leave the vehicle.
4. Students will immediately use hand sanitizer when they get to their assigned activity site.
5. All students will bring (at least) one filled water bottle to their activity. Water stations will not be available. Staff may have additional water bottles available.
6. Students will arrive dressed in workout gear. All shoes, cleats, balls, or personal items will be in a bag and will be placed in designated holding spaces within the activity pod.
7. If possible, students should bring personal balls to use during the activity if needed. (For example, soccer, tennis, football, etc.) Students will not share equipment during training.
8. There will be no contact with other students. Students must remain six feet apart for all drills.
9. Locker rooms will **NOT** be available for changing.
10. Students will take turns using the bathrooms and washing/sanitizing hands. (*Currently portable toilets outside*).
11. All current social distancing guidelines will be followed throughout the entire activity.
12. When/If a student uses a piece of equipment, it will be set aside when finished. The item will be cleaned with QT+ disinfectant. Cotton towels cannot be used.
13. To follow social distancing guidelines and group number guidelines, **there will be no observation of activities by any non-staff members or non-students.**
14. Students will be picked up in assigned areas. **Parents/guardians must stay in their vehicle and follow social distancing guidelines.**
